Make a statement with CertainTeed

Creating the porch or patio of your dreams begins with high-quality, low-maintenance products from CertainTeed. Our EverNew® vinyl porch systems come in a choice of styles, colors, and sizes that will complement any home's architectural design. The durable vinyl construction never needs sanding or painting and offers easy, secure installation. All porch products integrate with CertainTeed's complete line of railing and deck systems for an inviting outdoor space designed to provide years of worry-free enjoyment.

Structural Porch Posts

Give your porch a look of distinction with the classic styling of EverNew vinyl porch posts. The aluminum-reinforced posts provide beautiful and durable support, easy installation, plus a safe and secure connection — without the use of a separate hurricane tie-down kit.

- Pivoting mounting plate provides safe and easy installation
- Aluminum reinforced for rigidity and strength
- Load bearing up to 5,000 lbs.
- 108" length
- Standard tie-down connection eliminates the need for separate hurricane tie-down kit
- No overhead jacking required
- Available in White, Almond and Clay

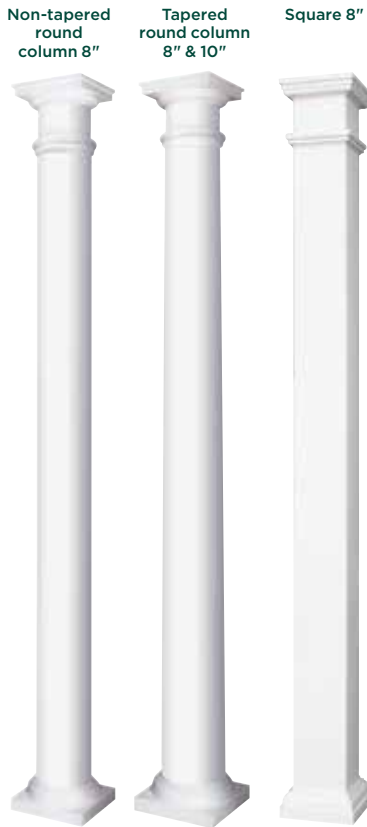

Tie-down mounting plates and 4-piece post trim kits for top and bottom come with the post.

Porch Post Installation

Tie-down mounting plates included for easy, secure installation. No overhead jacking required.

Cap and base trim sets sold separately.

Structural Porch Columns

Capture the grace and elegance of a bygone era with EverNew vinyl porch columns. With their easy-care features and exceptional structural support, EverNew columns make a stunning addition to a variety of exterior projects.

- Aluminum insert provides outstanding support
- Load bearing up to 18,000 lbs.
- 108" length
- Includes mounting plate for easy installation
- Cap and base trim sold separately
- Available in White

Structural Porch Column Installation
