FOCAL POINT®

skydome

from Focal Point.

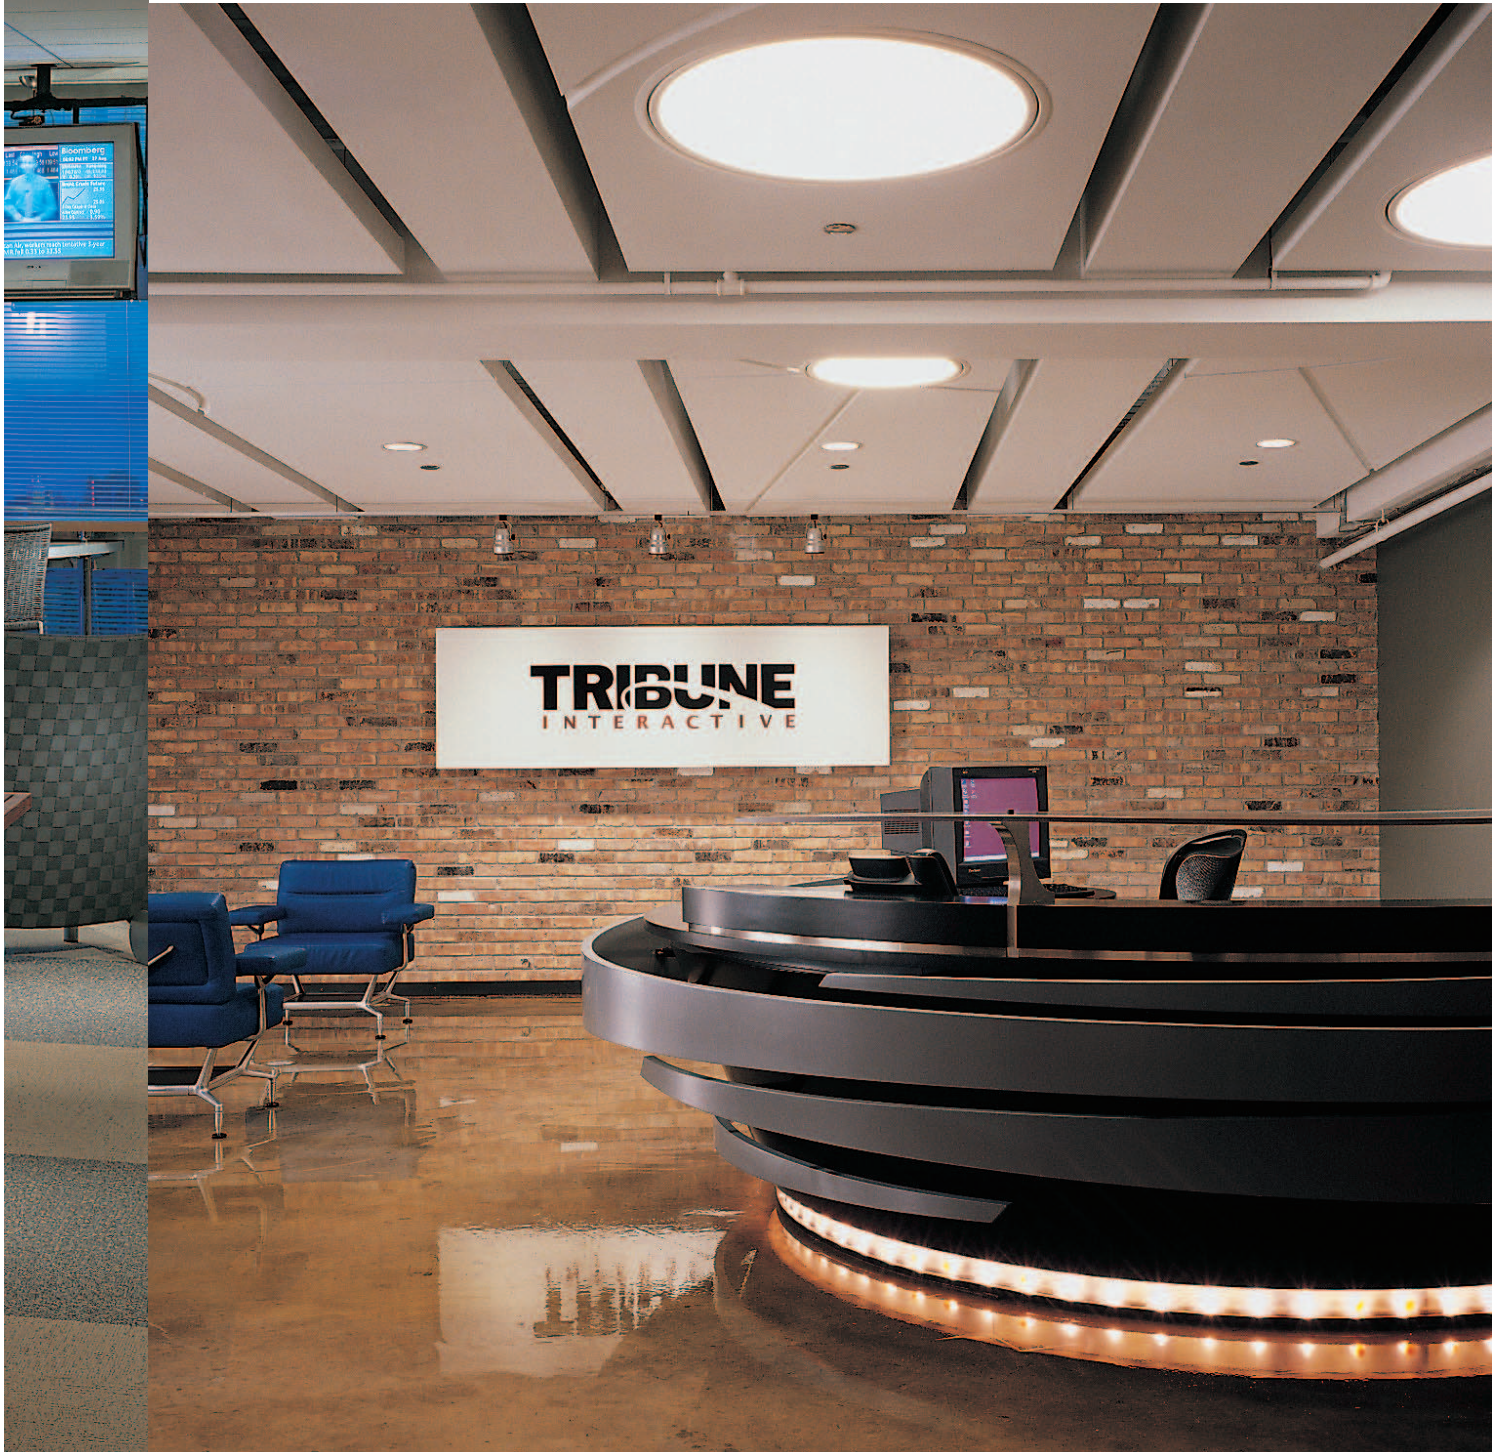

Simplicity of shape. Versatile style. Elegant. Inspired by dome shapes found in architecture world-wide, Skydome™ classically illuminates your environment. 2', 3', and 4' diameters are available - mixing these sizes within an application adds unique style. Design to suit your needs with the uniformly illuminated concave, convex or flat lens. In concourses, lobbies, reception areas or educational facilities, Skydome shapes.
